

Access Behavioral Health HEDIS® Tip Sheets on Availity

To support your practice in delivering high-quality, whole-person behavioral health care, we've made the **Behavioral Health HEDIS® Tip Sheets** available on the Availity Provider Portal. These resources include **numerator-compliant codes**, **best practice guidance**, and **recommendations** to help you enhance your HEDIS® performance and improve continuity of care for your patients.

To access the Tip Sheets:

1. Log in to [Availity Essentials](#).
2. From the top menu, select **Payer Spaces**.
3. Choose **Carelton Behavioral Health**.
4. Scroll down and select the **Provider Portal** box.
5. Choose your **Organization** and **Provider**, then click **Next** after each selection.
6. Once inside the portal, select **Forms** (to the right of "Member" and "Message Center").
7. You'll find the **BH HEDIS® Tip Sheets** listed under **Forms**.

Please review and share these materials with your clinical and billing teams. Incorporating these best practices helps ensure your patients receive coordinated, high-quality behavioral health care while supporting your HEDIS® compliance.

Thank you for your partnership and dedication to improving whole health outcomes.
