

STAR BEHAVIORAL HEALTH PROVIDERS®

TRAINING OPPORTUNITY!

Understanding the military experience

Providing care to service members, veterans, and their families

Service members, veterans and their families make sacrifices for all of us. **STAR BEHAVIORAL HEALTH PROVIDERS** offers training to help you better understand their experiences and an online registry that will help them find you. **Space is limited — register online today at www.starproviders.org! Trainings & CEs are FREE.**

SBHP training is comprised of three tiers that **must be taken sequentially**:

- **Tier One:** [6 CEs/6 contact hours] 1-day training, covers military culture and the impact of deployments on families.
- **Tier Two:** [13.5 CEs/13.5 contact hours] 2-day training, covers issues associated with military service including military family resilience, traumatic brain injury, sleep disorders, suicide, PTSD, and three hours of ethics.
Prerequisites: Tier One and a registry member
- **Tier Three:** [14 CEs/14 contact hours] 2-day training, teaches evidenced-based psychotherapies for treating particular behavioral health conditions facing service members, veterans, and families. Providers may attend multiple trainings; only one training required to be listed on the registry as Tier Three trained.
Prerequisites: Tier Two and a registry member
- **Tier Sustainment:** [2- 8 CEs/2-8 contact hours] 2–8-hour training, covers specialized topics related to the military population not addressed or only cursorily reviewed in Tier One or Two trainings. Providers may attend multiple trainings. *Prerequisites: Tiers One and Two and a registry member*

The Center for Deployment Psychology is approved by the American Psychological Association to sponsor continuing education for psychologists. The Center for Deployment Psychology maintains responsibility for this program and its content.

The Center for Deployment Psychology, #1761, is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved as ACE providers. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. The Center for Deployment Psychology maintains responsibility for this course. ACE provider approval period: May 19, 2022 – May 19, 2025.

The Center for Deployment Psychology is recognized by the New York State Education Department's State Board for Psychology as an approved provider of continuing education for licensed psychologists (#PSY-0178).
